# WIRELESS COMBO HSET-W6 KITTY EDITION

Embrace the purr-fect blend of wireless functionality with the Canyon Kitty Edition keyboard & mouse set. This 2.4 GHz wireless combo is adorned in a delightful black and violet color scheme that's sure to add a touch of whimsy to your workspace.

The keyboard has a full-sized layout with 100 keys, including 15 multimedia keys, for quick access to your favorite functions. With scissor frame switches designed for a quiet typing experience, this keyboard is built to last and has a lifecycle of 10 million keystrokes. Its slim ergonomic design and matte finish provide comfort and durability, while the laser engraving of symbols ensures longevity.

Meanwhile, the accompanying mouse features four silent buttons and an adjustable DPI for precise control tailored to your preferences. With a lifecycle of 3 million clicks, this mouse will keep up with your daily tasks effortlessly. The soft-touch coating and lightweight body make it a joy to use.

Powered by standard AAA and AA batteries, the Kitty Edition set offers the convenience of wireless connectivity without compromising performance. The included velvet protective sleeve adds an extra layer of sophistication and protection. This charming combo with feline flair is for those who appreciate both style and substance in their peripherals.

**Enjoy the freedom of wireless technology with the HSET-W6 Kitty Edition – practical and playful!**

# FLUID TYPING EXPERIENCE
