

Portable wireless speaker

OnMove 12

Meet the OnMove 12, the ultimate portable wireless speaker designed to keep up with your lifestyle when you're hitting the trails, chilling by the pool, or hosting a spontaneous dance party. Compact yet powerful, this speaker delivers crystal-clear audio with a punchy 5W output, making every beat sound richer and more immersive.

With an IPX7 waterproof rating, the OnMove 12 isn't just resistant to splashes – it can handle full submersion, which makes it the perfect choice for beach days, poolside lounging, or even singing in the shower. Wherever you go, your music can follow.

Enjoy seamless wireless connectivity with BT 5.3, which provides a stable and fast connection with minimal lag. Want to amplify the experience? Pair two speakers using TWS (True Wireless Stereo) mode for a stereo soundstage that fills any space with rich, dynamic audio.

Designed for true portability, the 1200mAh battery delivers up to 12 hours of non-stop music at 50% volume. And when it's time to recharge, the USB(C) fast charging will get you back in action in just two hours. Small in size but big in performance, the OnMove 12 is built for adventure. Lightweight, durable, and waterproof, it's the speaker that's always ready to move when you are.

ULTRA PORTABLE DESIGN

Designed to fit effortlessly in your hand or backpack, the OnMove 12 is perfect for those who love music on the go. Heading to the beach, hiking a trail, or relaxing at home? This compact speaker delivers powerful sound without weighing you down. It's got a rugged yet lightweight design with a sleek finish that adds a touch of style to your adventures.

12 HOURS OF PLAYTIME

Never let your music fade out too soon! The OnMove 12 is powered by a 1200mAh rechargeable battery, giving you up to 12 hours of continuous playtime at 50% volume. Perfect for road trips, long hikes, or all-day outdoor gatherings, because the best moments deserve the best soundtrack.

IPX7 WATERPROOF

Take your music anywhere, rain or shine! With its IPX7 waterproof rating, this speaker can withstand splashes, rain, and even full submersion for a short time. Whether it's by the pool, in the shower, or at the beach, the OnMove 12 keeps playing no matter what.

ENERGY-EFFICIENT BT 5.3

Enjoy faster, stronger, and more efficient wireless connectivity with BT 5.3. The lower power consumption extends battery life, while the enhanced signal strength ensures smooth streaming with zero interruptions even in busy environments.

STABLE CONNECTION

No more dropouts and lag!
The OnMove 12 provides a rock-solid connection up to 10 meters away. Whether you're streaming from your phone, tablet, or laptop, you'll experience seamless audio transmission with no frustrating disconnections.

TWS MODE: PAIR TWO SPEAKERS FOR STEREO SOUND

Looking for a wider soundstage?
With True Wireless Stereo (TWS) mode, you can pair two OnMove 12 speakers together for an immersive left and right channel stereo experience. Perfect for creating a surround sound effect at parties or boosting your favorite tunes with even more depth and clarity.

BUILT-IN CARRYING LOOP

Designed for ultimate portability, the built-in carrying loop makes it easy to attach the OnMove 12 to your backpack, bike, or wrist. Clip it on and bring the music wherever life takes you.

FAST CHARGING IN TWO HOURS

Low on battery? No problem.
The OnMove 12 supports fast USB(C) charging,
going from 0 to full in just 2 hours.
Plug it in, power up, and get back to enjoying
your music – no long waits, just nonstop beats.
