

Wall Charger OnCharge 30CL

Need to keep your devices charged and ready to go without the wait? The OnCharge 30CL wall charger combines reliable and fast charging with a compact design that fits easily into any space.

Equipped with a USB Type C output, it supports PD fast charging to power up your devices in moments, delivering up to 30W of power. Whether you're charging a smartphone, tablet, or other USB(C) powered devices, this charger gets you back to full power in no time.

With a wide input range of 100-240VAC and a 50-60Hz frequency, the OnCharge 30CL is perfect for international travel, automatically adjusting to the power source anywhere you go. Its small size (50.5×39.8×23mm) makes it easy to carry, store, and fit into even the tightest spaces, while its 15V2A output ensures that your devices charge efficiently and safely.

For fast, efficient, and compact charging, the OnCharge 30CL is the perfect solution for your everyday needs.
