## Linksys SE1500 | 5-Port Fast Ethernet Switch

**Instantly add up to 5 office and entertainment devices to expand your home network**

### Key Features

- Wired connection speed up to 100 Mbps
- 5 Fast Ethernet (10/100) auto-sensing ports
- Quality of Service (QoS) traffic prioritization
- Plug & Play

### The Cisco Advantage

- Cutting edge technology from the networking leader
- Best-in-class security
- 24/7 Award-winning customer support

POWERFUL HOME NETWORKING PERFORMANCE

# Linksys SE1500 | 5-Port Fast Ethernet Switch

### Plug & Play

This compact switch is designed to conserve desktop space and is easy to use – no configuration required. Easily connect computers, printers, storage, game consoles, and more, to instantly expand your home network.
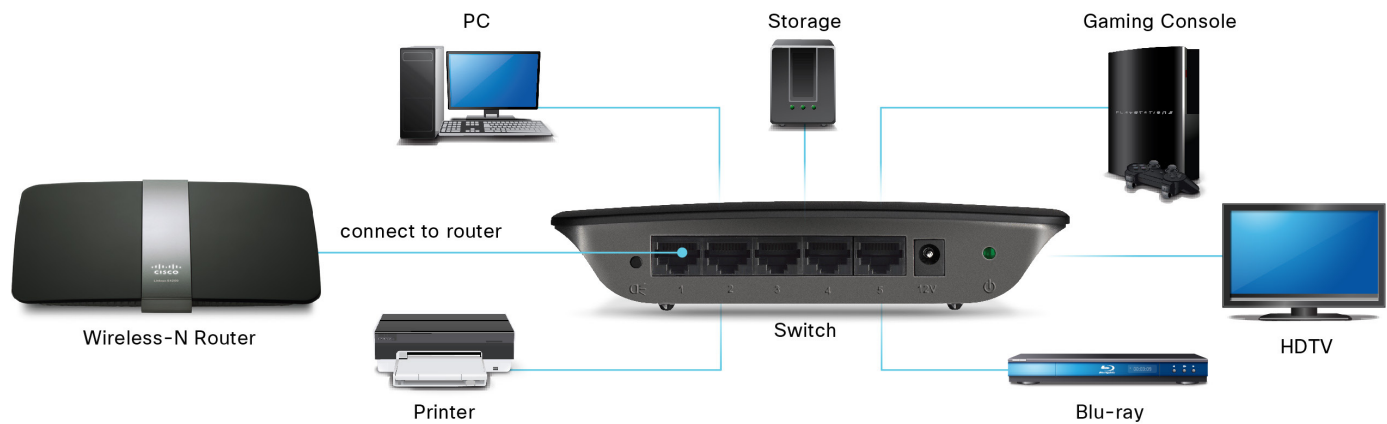

### Power Saving

Includes special power saving features for optimal efficiency.
- Auto power-down disables unused ports
- Port status switch to control LED lights

### Quality of Service

QoS traffic prioritization technology delivers high performance so you can enjoy smooth video streaming and gaming. Auto-sensing ports automatically optimize speed for each connected device.
